OUR thanks are due Hons. J. S. Fowler, N. G. Taylor and W. B. Stokes of this State, and the learned and far-seeing statesman of Massachusetts. Charles Sumner, for valuable public documents.

WOULD NOT "BILE."-A man in Clark county having made preparation for a big dinner selected one of his finest turkeys to boil. Dinner time came and with it the turkey, but to carve it he could not, the fork refused to enter, and the knife refused to than eighteen years old, actual residents in the diswas sent to a chemist to examine for deadly poison. In the meantime the servants were closely questhe "bile" out of him.

WE do not believe in "cure-all" until we tried rel remedy for disease, and Dr. Ayer has made the none in the world, and its officers form a most honbest of purgatives. They cure all our complaints, orable profession, at the head of which stands our Logan, O. Press.

LOST. - Four volumes of Rees' Encyclopedia, quarto size, bound in sheep. They are volumes 3, 24, 27 and 29. Also Pope's Works, 8vo, bound in calf; Whitby's Commentary on the New Testament, vol. 4; besides other books. Any person returning any of these missing volumes will receive the thanks of the owner, and if desired, a suitable pecuniary re-THOS. W. HUMES.

A Bill

To establish a commission for the settlement of claims against the government of the United States held by loyal citizens of East Tennessee. Whereas a large number of loyal citizens of East Tennessee have just claims against the government of the United States for property furnished to or taken by the armies of the United States. for which no vouchers or only informal vouchers were taken; and whereas large amounts of property of loyal citizens of said section were destroyed by said armies, and said citizens were thus, as well as by the previous depredations of the rebel armies, greatly impoverished, and need all the relief that can be afforded by the prompt adjudication and payment of these claims; Therefore,

Be it enacted by the Senate and House of Represes butives of the United States of America in Congress a small sum each Sunday to such teachers as he its little head drooped, and its motionless ssembled. That the President of the United States be, and he is hereby, empowered to appoint, by and with the advice and consent of the Senate, a commission of three persons, to hear and determine children to attend, and to encourage them to learn, martins-doubtless "friends of the deceasupon principles of equity and justice, and without he at times distributed rewards of small books and ed"—gathered around, and in their helpless regard to forms or vouchers, the claims of all loyal Bibles to the most deserving. He appealed to the way endeavored to relieve their unfortunate against the United States for forage, subsistence, preachers, the teachers, and to the better part of the comrade from its fatal perch; but they soon horses, mules, or other property taken for the use of the armies of the United States during the late war against the rebellion; and when such claims are adigusted in fewer of the claims are adigu idicated in favor of the claimant the said commissioners shall draw their warrant for the amount and young, flocked to these schools for instruction found due upon the Secretary of the Treasury, coun- And many teachers offered their services gratuitersigned by their clerk, and specifying whether the tously, prompted by the desire to bring this people ult., the Hon.
